

# FUN WITH FOOD

corporate cooking classes via ZOOM

Would your employee morale benefit from a FUN group event with FOOD? Chef Sue facilitates an energetic plant-based cooking class via ZOOM while introducing nutritious and beautiful recipes. Anyone can create them and eat well all week!

Promote health, nutrition and wellness for your organization in a one hour lunch & learn. It's easy and fun!

## TESTIMONIAL

*"Such a fun experience for our company! Chef Sue is very professional, personable and has great energy. I love that she cares not only about the food we eat, but also what happens to the food scraps, be it compost or making veggie broth! "*
